Presentation

Español

Ocean Drive Barcelona nace para llevar, todo el año, el ya reconocido y personal estilo de OD Hotels a esta cosmopolita ciudad, fusionando la arquitectura y el interiorismo más vanguardistas con las últimas tendencias para crear una experiencia única y personalizada. Se sitúa en la zona más exclusiva del Eixample, a tan solo 200m del Paseo de Gracia, en pleno epicentro de la escena barcelonesa y conectado con los mejores restaurantes, boutiques, locales de moda, medios de transporte y atracciones turísticas. Uno puede pasear hasta la obra de Gaudí en el famoso bulevar, la Sagrada Familia o la emblemática Plaza de Cataluña, que quedan a unos minutos del hotel.

La identidad de Ocean Drive queda plasmada en cada una de las 97 habitaciones del hotel, en la amplia y luminosa zona de recepción, el lobby bar y restaurante con su terraza-jardín, y en el OD Sky Bar, presente en todos los hoteles de la marca, una azotea con piscina y solárium donde tomar exquisitos cócteles contemplando las vistas. Las habitaciones, amplias y muy equipadas, tienen un diseño contemporáneo con influencias mediterráneas en todas sus categorías, que culminan en espaciosas Loft, Suite Sagrada Familia y una Grand Suite con terraza y piscina privada. Barcelona es un lugar perfecto donde disfrutar de los conceptos Ocean Drive. Los eventos propios, como el afterwork Burger meets Gin hacen que el hotel se pueda vivir todas las semanas del año. Cada detalle es una muestra de diseño e innovación del estudio de arquitectura de Víctor Rahola y la diseñadora de interiores Mayte Matutes, que han dado vida a una arquitectura elegante y refinados interiores, un espacio fluido con una selección de muebles de diseño y textiles hechos exclusivamente para el hotel, concepto que se complementa con la tecnología más avanzada y sostenible.

El hotel también hace hincapié en la sostenibilidad, a través de formaciones y sistemas respetuosos con el medio ambiente, como la fachada vegetal, un aislamiento de los edificios más eficiente, paneles solares y un sistema de calefacción y aire acondicionado que reduce el consumo de energía en un 35%. Además, Ocean Drive Barcelona fue reconocido entre el "Top 10" de los mejores proyectos de rehabilitación sostenible hotelera en España en el concurso Re Think Hotel 2017.

English

Ocean Drive Barcelona offers the instantly recognizable and unique style of OD Hotels in the best area of this city, together with the latest concepts of personalized and exclusive guest experience.

Located in the heart of the Eixample district, just 200m from Paseo de Gracia, the Hotel is right in the trendiest sphere of Barcelona and near high-end restaurants, boutiques, means of transportation and cultural sites. Gaudí's artwork in the famous boulevard, the Sagrada Familia or the emblematic main square Plaza Cataluña are just a nice and short walk away.

The identity of OD Hotels is clear in each of the 97 rooms of the hotel, in the gleaming lobby lounge, the Restaurant with terrace and garden, and the OD Sky Bar. This amazing rooftop terrace, present in all our brand properties, has a swimming pool and a solarium where to enjoy the best cocktails with inspiring city views.

The rooms are generously sized and equipped with a contemporary and aesthetic design concept which concurs with Mediterranean influences. Furthermore, this new hotel offers various Loft, Suite Sagrada Familia and a Grand Suite with a private swimming pool on a terrace, an oasis with great views. Barcelona is a perfect destination for the already classic Ocean Drive concepts. The hotel's own events like the after-work Burger meets Gin enhance the guests' experience and guarantee a memorable stay at any time of the year.

Every detail of the hotel is an authentic expression of aesthetic design. The architectural studio of Rahola-Vidal and the interior designer Mayte Matutes created the sleek architecture and refined interiors for a fluent, congruent appearance, together with a selection of design furnishings and textiles made exclusively for the hotel. The design is complemented by the most advanced technology and sustainable features.

There is also a large focus on sustainability with eco-friendly training and systems, like the green, vegetated façade, efficient building insulation, solar panels and a state-of-the-art heating and air-conditioning system that reduces energy consumption by 35%, winning the Re-Think Hotel 2017 prize.

Deutsch

Das Ocean Drive Barcelona wurde geschaffen, um das ganze Jahr über den bereits anerkannten und persönlichen Stil der OD Hotels in diese kosmopolitische Stadt zu bringen und die avantgardistische Architektur und Inneneinrichtung mit den neuesten Trends zu verbinden, um ein einzigartiges und persönliches Erlebnis zu schaffen. Es befindet sich im exklusivsten Viertel Eixample, nur 200 m vom Paseo de Gracia entfernt, im Epizentrum der Barcelona-Szene und in unmittelbarer Nähe zu den besten Restaurants, Boutiquen, Modegeschäften, Verkehrsmitteln und touristischen Attraktionen. Man kann zu Gaudis Werk auf dem berühmten Boulevard, der Sagrada Familia oder dem emblematischen Plaza de Cataluña spazieren, die nur wenige Minuten vom Hotel entfernt sind.

Die Ocean Drive-Identität spiegelt sich in jedem der 97 Zimmer des Hotels wider, im geräumigen und hellen Empfangsbereich, in der Lobby-Bar und im Restaurant mit Gartenterrasse sowie in der OD Sky Bar, die es in allen Hotels der Marke gibt, einer Dachterrasse mit Swimmingpool und Solarium, auf der man exquisite Cocktails genießen kann, während man die Aussicht genießt. Die geräumigen und gut ausgestatteten Zimmer aller Kategorien

haben ein modernes Design mit mediterranen Einflüssen, das in den geräumigen Loft-Zimmern, der Suite Sagrada Familia und der Grand Suite mit Terrasse und privatem Pool seinen Höhepunkt findet.

Barcelona ist der perfekte Ort, um die Konzepte des Ocean Drive zu genießen. Die hoteleigenen Veranstaltungen, wie das After Work Burger meets Gin, machen das Hotel zu einem Ort, den man jede Woche des Jahres erleben kann. Jedes Detail ist ein Schaufenster des Designs und der Innovation des Architekturbüros Victor Rahola und der Innenarchitektin Mayte Matutes, die eine elegante Architektur und eine raffinierte Inneneinrichtung zum Leben erweckt haben, einen fließenden Raum mit einer Auswahl an Designermöbeln und Textilien, die exklusiv für das Hotel hergestellt wurden, ein Konzept, das durch die fortschrittlichste und nachhaltigste Technologie ergänzt wird.

Das Konzept wird durch moderne und nachhaltige Technologien ergänzt. Das Hotel legt außerdem Wert auf Nachhaltigkeit durch umweltfreundliche Lösungen und Systeme wie eine grüne Fassade, eine effizientere Gebäudesanierung, Sonnenkollektoren und ein Heizungs- und Klimatisierungssystem, das den Energieverbrauch um 35 % reduziert. Darüber hinaus wurde das Ocean Drive Barcelona im Rahmen des Wettbewerbs Re Think Hotel 2017 unter die "Top 10" der besten nachhaltigen Hotel Sanierungsprojekte in Spanien gewählt.
