Looking for OTT, we got you covered!

---

# HEADSHOT BOOTH

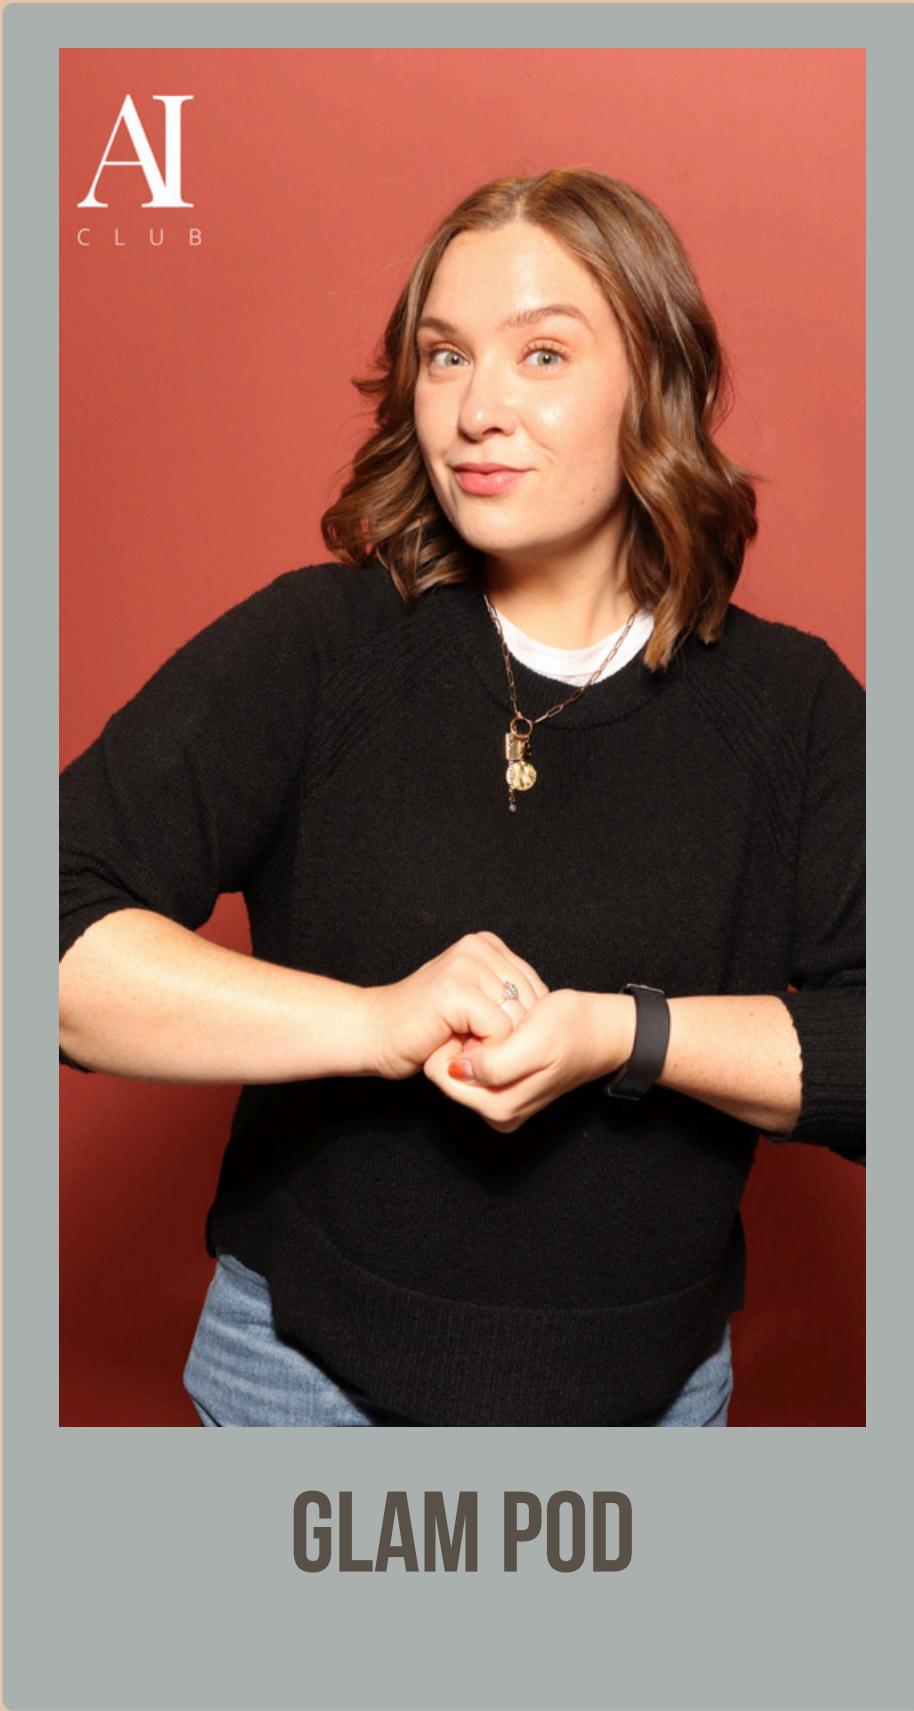

The Headshot Booth is a quick, convenient, and professional way to capture high-quality headshots. Perfect for events, corporate settings, or personal branding, this sleek, self-service booth is equipped with studio-level lighting and high-resolution cameras, ensuring you look your best with every shot. Whether you're updating your LinkedIn profile, preparing for an audition, or simply need a polished portrait, our headshot booth delivers flawless results in minutes, with instant prints or digital files ready to go!

# AI BOOTH

This interactive option uses AI to take high-quality photos, apply fun filters, and create backgrounds. It's perfect for events, allowing users to capture personalised and creative photos. Features include:

- AI Portraits
- Face Swap
- Background removal

# premium **BACKDROPS**

You can choose to upgrade your package with one of our premium options. We have a range of luxe backdrops for you to choose from along with personalised and bespoke options. Find our backdrops guide [here](#) for reference.
