## Our guests reviews

### 100% Recommendation

"We organized a meeting followed by dinner in a private lounge. The chef offered dishes that were as refined as they were delicious. The staff is very welcoming and attentive to various requests. All the spaces are warm and inviting. The renovation was done with great taste."

### Recommended for seminars

"High-end venue, attentive staff. The lunch was excellent for a business group. The participants especially enjoyed the pastries in the morning, the (excellent) fruit juices, and the fruits in the afternoon."

### Like the royalty

"We came for a business committee and were excellently received by the entire staff. The events team - Manon and Clémentine - were responsive and flexible in handling group constraints, overseeing our meeting from start to finish.

Special mention to banquet service by Adama, discreet and elegant; and to pastry chef Myriam for her excellent chocolate cookies served during the break. And what can we say about Chef Yassine's team, who went above and beyond to provide top-notch service in the cozy atmosphere of the new Lordy's restaurant. The hotel manager and the Chef even came to greet us at the table.

Thank you to the entire kitchen and dining team. Finally, our thanks to barmaids Lilian and Anaëlle for their preparation of a bespoke recipe; they worked diligently beforehand to satisfy our group.

Your teamwork contributes to the success of this establishment, and we will warmly recommend it."

### A heartfelt thank you

"I wanted to thank the teams for the excellent reception they provided at the Sofitel Paris Baltimore Tour Eiffel during our half-day seminar. The facilities provided were perfectly suited to our needs and greatly contributed to the smooth running of our event. We also appreciated the quality of the service during the break that was served to us. The services met our expectations. Rest assured that we will not hesitate to use your services again for future events and will warmly recommend your establishment."
